Beko:

Attached are two minor redlines to Google's position. Given the lateness of the hour and the minor nature of the revisions, I trust that Oracle will make no further revisions and that we have your consent to lodge the document as revised. Please confirm.

Regards,
Gene

Dan it is 11:17. Where are the remaining letters? I trust that there will be no material changes given that you have left us absolutely no time to respond at this point.
